### A Mother's Love

There are times when only a Mother's love can understand our tears, can soothe our disappointments and calm all of our fears. There are times when only a mother's love can share the joy we feel when something we've only dreamed about quite suddenly is real! There are times when only a mother's faith can help us on life's way, and inspire in us the confidence we need from day to day. For a mother's heart and a mother's faith and a mother's steadfast love were fashioned by the angels and sent from God above.

**FOURTH SUNDAY OF THE**

**EASTER SEASON:** also known as **GOOD SHEPHERD SUNDAY.**

In the Gospel today John uses the image of the good shepherd to explain what it means to be a community of faith. It is about our shared trust in Christ who put his life on the line to take care of his flock and keep them secure. It is all about a flock that can be open and welcoming to others without fear for its safety, because the one who laid down for them has taken it up again as the Father commanded. We too are called to shepherd those in our care; as teachers, parents, grandparents, and godparents we care for those in our care as Jesus himself would care for them. And so, as Christians, we are called to extend the hospitality of the Good Shepherd to members of the flock who have wandered or become disconnected from the church.
